Based on the novel by Russian writer Dmitry Merezhkovsky (1867-1941), Morlocku0026#39;s dramatic adaptation tells the tragic story of Russian Tsar Peter the Greatu0026#39;s conflict with his only surviving son and heir, Tsarevitch Alexis. Peter, an autocrat who was determined to modernize Russia at all costs, dealt brutally with any opposition--but found his most stubborn and potent resistance in his own home in the person of Alexis. This was a battle of wills that could end in only one way, given the nature of the Tsaru0026#39;s personality and the enormous power that he wielded. The ultimate tragedy is that Peter loved his son, and Alexis his father--but neither could find a way in which to reconcile their political differences. Shades of the twenty-first century! A riveting psychodrama.
